Are You My Mother? is the story about a hatchling bird.

His mother, thinking her egg will stay in her nest where she left it, leaves her egg alone and flies off to find food.

The baby bird hatches. He does not understand where his mother is so he goes to look for her. As he lacks the ability to fly, he walks, and in his search, he asks a kitten, a hen, a dog, and a cow if they are his mother, but none of them are.

Kind of lonely and looking to imprint, the little bird begins an informal survey, asking all manner of creatures and things the all-important question: Are you my mother?

Young readers will delight in mastering this story themselves and younger listeners will giggle at the improbability of some of the bird's potential mothers -- a cow, a dog and even an airplane! Of course, in the end, a wonderful moment of recognition brings mother and baby together again. Ages 4-6.
