Helps you increase the emphasis on planning for domestic and global competition in a global economy that is integral to strategic decision in even the smallest business or organisation on Main Street in any town worldwide every day.

Global Strategic Planning

Global strategic planning is a process adopted by organizations that operate internationally in order to formulate an effective global strategy. Global Strategic Planning GSP is different from normal domestic strategic planning, because, in this case, organizations consider internal as well as external environments.

Strategic Management: Planning for Domestic & Global ...

The co-founder and CEO of StarTech.com is reviewing his firm's strategic plan, including an aggressive target of \$150 million in sales in three years. To achieve this goal, the company needs to leverage its knowledge to develop a meaningful presence in Europe. The challenge is to identify the best way to go to market, given country and regional differences in how people buy computer parts.
